This skill bite covers the basic role, functions and skills needed to practice as a competent supervisor. It explores the partnership between supervisor, supervisee and the agency, offering practical examples and a space for reflective practice, enabling further development. Effective supervision can assist workers in developing resilience and managing the stresses of a multifaceted work environment.

### Skill Bite Objectives:

- To identify the aims of supervision
- To understand the role of the supervisor
- To develop a set of expectations of the supervisee
- To explore issues of confidentiality, duration, privacy, safety, agenda setting, record keeping and much more
- To investigate the process and benefits of regular supervision
- To explore ambivalence and resistance in the supervisory process
- To develop skills to hold a successful supervision session

### Suitable Audience:

- Managers, team leaders, case workers from CSO and DHS
- Family services practitioners
